ORDER

THIS MATTER is before the Court on defendant's Pro Se Motion/Request for Sentencing. (Doc. No. 47).

Defendant is represented by court-appointed counsel in this matter. Under L.Cr.R. 41.7(h), the Court typically does not entertain *pro se* motions by parties who are already represented by counsel. Defendant is encouraged to consult with his counsel about filing any appropriate motions on his behalf. Having thus considered defendant's motion and reviewed the pleadings, the court enters the following Order.

ORDER

IT IS, THEREFORE, ORDERED that defendant's Pro Se Motion/Request for Sentencing, (Doc. No. 47), is **DENIED without prejudice**.
